

AMADEO F. GENIO IV

Skills

- MySQL
- Python (Pandas, BeautifulSoup, Selenium)
- Tableau
- Excel (VLookup, Conditional Formatting, Pivot Tables)
- Microsoft Power BI

Projects

EDUCATION IN DANGER: REPORT DASHBOARD – Personal Project July 2025

- Designed an interactive **Power BI** dashboard analyzing global threats to education using real-world incident data (2020-2025)
- Visualized trends over time, geographical patterns, and key risk factors affecting students, educators, and educational facilities

AIR BNB LISTINGS DASHBOARD – Personal Project May 2025

- Built a dashboard with **Tableau** to visualize Air BnB listings in Seattle WA by price, location, no. of bedrooms
- Provided insights about price pattern, price by locations, which can help an individual or even entrepreneurs decide about Air BnB as a staycation or business

BIKE SALES DASHBOARD – Personal Project May 2025

- Created a dashboard using **Excel** that shows current trend on bike sales, customer's demographics, etc.
- Cleaned and transformed raw data using Excel formulas and functions like IF(), Pivot tables, removing duplicates, etc.

WEB SCRAPE: AUDIO BOOK WEBSITE – Personal Project May 2025

- Built a **Python** script using *requests* and *BeautifulSoup* libraries to parse data from an audio book (authors, narrators, ratings)
- Structured the data and exported to CSV file that can be used for further analysis

WORLD LAYOFFS – Personal Project May 2025

- Wrote **SQL** queries to clean and structure world layoffs data (removed duplicates, trimmed, handled *NULL* values, etc.)
- Created an EDA that can be used for reporting or further analysis

Work Experience

DATA ENTRY/ WEB SCRAPER – Wuxi Qianyao Stainless Steel Co., Ltd September 2024 – Present

- Extracted key company details through web scraping and transferred data accurately into spreadsheets.
- Identified and qualified potential leads, converting them into clients.
- Maintained high attention to detail, ensuring data integrity and supporting business growth.

WIPER – RB British Marine November 2023 – July 2024

- Performed hands-on mechanical maintenance and troubleshooting to ensure smooth vessel operations.
- Applied strong problem-solving skills to address technical issues and maintain equipment functionality.
- Fostered positive relationships with diverse, multinational teams, contributing to a harmonious and collaborative work environment.
- Gained practical mechanical expertise while adapting to challenging and dynamic work conditions at sea.

WIPER – K Line October 2021 – June 2022

- Performed hands-on mechanical maintenance and troubleshooting to ensure smooth vessel operations.
- Applied strong problem-solving skills to address technical issues and maintain equipment functionality.
- Gained practical mechanical expertise while adapting to challenging and dynamic work conditions at sea.

Education

BACHELOR OF SCIENCE IN MARINE ENGINEERING – Canaman, Camarines Sur, Philippines June 2021
